Los Angeles Live Steamers was founded in 1956 by a group of train enthusiasts to educate the public in railroad history, and to demonstrate live steam, gas-mechanical and electric railroad technology in actual operation.

A **JUNIOR MEMBER** is between the ages of 14 and 18, and completes the probation requirement. They are sponsored by a current LALSRM Member who mentors and is responsible for them. There are no initiation fees for Junior Members.

To get acquainted with the facility and other members, Junior Members serve up to a 12-month probationary period with the following obligations, unless special arrangements have been made: 24 hours of working at the Facility (can include helping in the Kountry Kitchen and the Souvenir Booth), and 18 hours of conducting on Sunday public trains.

Membership includes a badge and listing in the directory (Roster). Once their probationary work hours are completed, and they reach age 18, Junior Members may be converted to Resident Members without having to pay the initiation fee, and can vote and hold parties.
